Summary

Rivia Token is a token inspired by the popular Netflix Series. The team is building a Game based on The History of Geralt of Rivia. The token has a friendly and growing community. The contract is a Standard BEP-20 template with no malicious owner-Only function that can be abused to disturb the holder's transactions. No compiler bugs were found as well. Doxxing the team or passing KYC is highly advised to create trust and confidence in the community.
