●	L02	State Variables could be Declared Constant

L01 - Public Function could be Declared External

Criticality

minor

Location

contract.sol#L39,L30,L22

Description

Public functions that are never called by the contract should be declared external to save gas.

```
approve  
transferFrom  
transfer
```

Recommendation

Use the external attribute for functions never called from the contract

L02 - State Variables could be Declared Constant

Criticality

minor

Location

contract.sol#L6,L8,L7 and 1 more

Description

Constant state variables should be declared constant to save gas.

```
totalSupply
symbol
name
...
```

Recommendation

Add the constant attribute to state variables that never change.

Summary

Khaby Fan Token is an interesting and very fun meme project. The project has a friendly and growing community. The smart contract analysis reported no compiler errors or major issues. In fact there are not any functions that can be abused by the owner to interrupt the user's transactions. There are some inconsistencies from the website mentioning rewards and deflation on each transaction as no logic like that were found on the contract.
