Website Report

- Performance
- Best Practices
- Accessibility
- SEO ranking

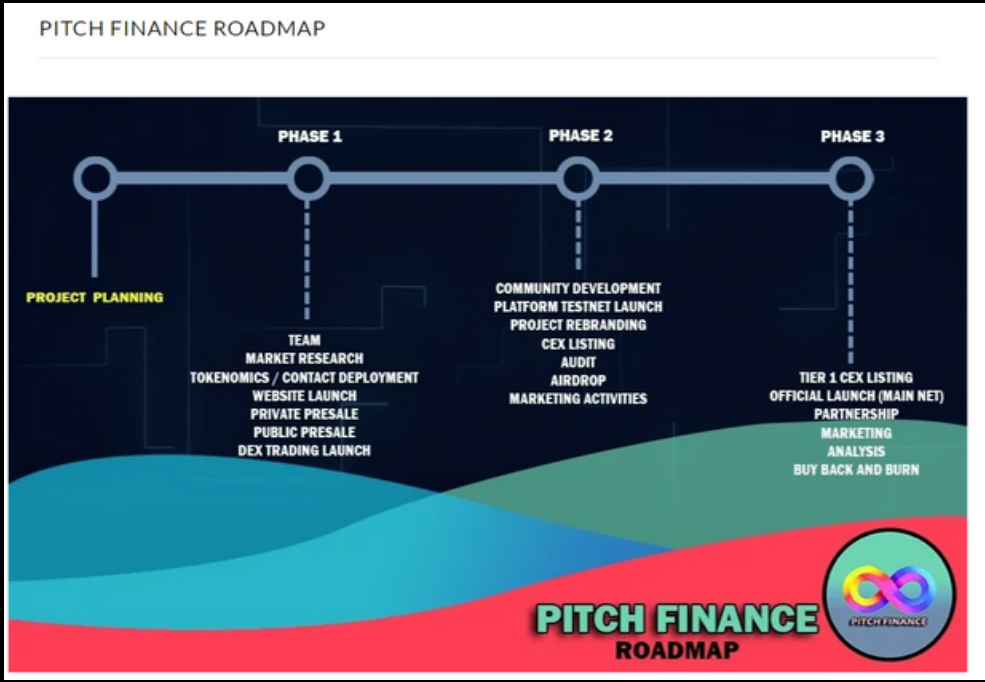

The only minor issues found are:

- Reduce the impact of third-party code Third-party code blocked the main thread for 300 ms
- Image elements do not have explicit width and height

COINSCOPE

Roadmap

Roadmap was found on the website and is displayed above. All milestones are on track so far and they are heading to the next phase of their plan.

The project aims to release among others an NFT marketplace, to create, buy, sell, trade, and swap any NFT on any blockchain, all from a single place.

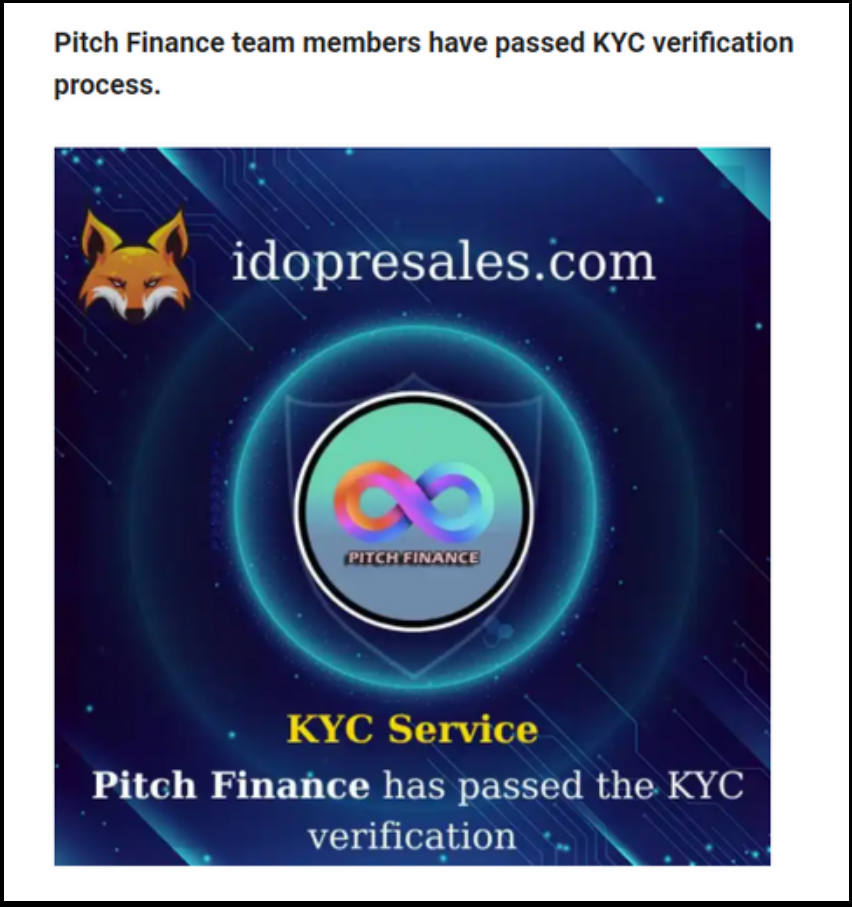

The goals are realistic and the project is very interesting.

Team Analysis

Team was not found on the website.

This is not a blocker as many project owners will prefer to hide their identiies and decide to come forward later.

On the other hand, the team has recently passed the KYC verification here and that provides trust and confidence for the new investors.
